RESIDENT SELECTION CRITERIA

Equal Housing: The Breedden Company does not discriminate on the basis of race, color, religion, sex, National origin, elderliness, familial status or disability.

Identification: All visitors must present a valid driver's license or other photo identification in order to view the community. Other acceptable forms of identification are: valid state issued ID card, valid military ID card or a valid passport.

Occupancy: All leaseholders or occupants 18 years and older must fill out an application. (Married couples may complete one application). Resident history, credit history, and income / employment are verified for all applicants. All information provided must be true and correct, as well as verifiable. All verified information is entered into a scoring system which determines rental eligibility, as well as acceptance levels. Each applicant's resident, credit, and employment information will be individually scored. All occupants of legal age must be a leaseholder unless dependency status can be verified. Cosigners will be allowed to assist with income requirements only. At least one lease holder must permanently reside in the apartment.

Occupancy Guidelines: In the local, state and federal law concerning occupancy limits, there are no set parameters for guidelines concerning dealing with occupancy limits in the context of familial status. Therefore, our company policy is to follow the guideline from HUD, which states a limitation on occupancy to two persons per bedroom; however, any person 18 months of age or younger will not be considered in determining a bedroom occupancy limit. At the end of the lease term, transferring to a larger floor plan within the occupancy guidelines will be required.

Qualifying Standards:

Rental History: Up to 60 months of rental history may be verified on present and previous residences. A positive record of prompt monthly payment, sufficient notice with no damages is expected. For applicants who are homeowners, permission must be granted to verify payment history with the bank or lending institution if there is a mortgage.

Credit History/Evaluation: Your rental score results from a mathematical analysis of information found in your credit report, application and your previous rental history. Such information may include your bill paying history, the number and type of accounts you have, collection actions, outstanding debt, income and the number of inquiries in your consumer report. The Breedden Company evaluates the above information with a statistical scoring method known as "Scorex". For further explanation of this type of method, please refer to "Rental Scoring and your Rental Application."

Income: Acceptable income verification required may include two (2) current pay stubs, a letter from the employer and or the most recent W2. Self-employed applicants may be required to supply the most recent tax return or certified verification from their company accountant or bank.

Acceptable Types of Income:

1. Work Income
2. Disability Income
3. Child Support Income- Must be Court Ordered with copy of Judgment
4. Alimony- Must be Court Ordered with copy of Judgment
5. Pension
6. Insurance Stipend- Structured Settlement

All Forms of Income must be and are subject to verification by the Breedden Company.
Dependency status will be verified with a previous year's tax return.

Co-signers: In the event a co-signer is required, he/she must complete an application and meet all the Resident Selection Criteria. A co-signer will be fully responsible for the Lease Agreement.

Criminal Screening- The Breedden Company screens all Applicants and Occupants of Apartment Units 18 years of age and over for Multi State Criminal activity and Convictions. In conjunction with this screening process, The Breedden Company uses an automated recommendation model known as CrimSafe.

PREPAID LEASE TERMS ARE NOT ACCEPTED IN LIEU OF THE ABOVE SPECIFIED SELECTION CRITERIA.
